Reminders

On sunny days please put sunscreen on your child prior to daycare and we will reapply for the afternoon.

Toys need to stay at home. We are talking to children multiple times to keep them in their cubbies. Keeping them at home helps us have successful days.

Many of you may have noticed a new face in our room. If you haven't had an opportunity to say hi yet – please welcome Jennifer Thompson to our daycare program.

We will be losing Michelle and Jessica at the end of summer as they are both returning to school to further their education. They have both expressed interest in working part time with Strawberry Patch so you will still see them around – just not all day every day!

Sharing

We would like everyone to have one last sharing day before summer starts. We will be sending home notes the day before your child's last sharing day as a reminder. You can also check our classroom calendar for their name.

Our themes for June are community helpers, Father's day, and put me in a book.

We do lots of climbing and moving at daycare. Please bring runners for the playground as sandals can be challenging to climb in and the woodchips can poke through them easily. Please have shorts on under dresses and keep long dresses at home as they can make climbing difficult.

We are very excited to have our Family night on Friday June 22nd and hope to see you all there! There will be dinner, crafts, games, and a graduation ceremony for those going into Kindergarten in the fall.

On Thursday, June 28th Connie will be providing a hotdog lunch for all children attending that day.

To everyone not attending during summer, we hope you have a lovely summer and we look forward to seeing you again in September or when you come to visit!

Thanks,
Michelle, Denise, Jessica, Anna, Mickey and Jennifer.
