

## Dear Parents/Guardians,

Here we go again! Another month has gone by really fast. We had a really busy month in January. As you know, we had two very interesting themes that we learned about: hibernat and arctic animals. We had lots of fun doing some science experiments about bears (how, why where, what, when) they hibernate.

The children also had a fun time playing in the igloo.

### We are having Valentine's party!

On Thursday February 14<sup>th</sup> we are having our Valentine's party. This party is for **children only** (parents do not attend). The party is from 9:00 am to 12:00 pm. For the children who leave by **11:30 am** - please stay a little longer and enjoy lunch with us first. There shall be a signup sheet out for the party soon. Please provide for 14 children and 4 teachers. We appreciate the help in providing lunch, thank you.

All the children will be making Valentine bags so they can exchange Valentines' with all the other children. We find it easiest to have your child just write their name on the cards (from) . There are 29 children in total.

### This Month's Themes

In the month of February, the children are goingg to learn about Valentine's and Fire Safety. In addition to that, we are teaching them all about the letters Pp, Qq, Rr and Ss.

 to attend with the child. Please let us know if your child will be attending, as the fire hall requires us to provide  
 a list of everyone in the hall.  
 Provide a snack that can go in your child's pocket that day. Please remember to be at the fire hall by 9:15 am.
