

Dear parents/Guardians,

Another month has gone zooming by and the summer is fast approaching. Now that the weather is getting warmer, it feels like summer days. With that said, we would like to suggest parents send their child in lighter clothing such as t-shirts, shorts, sun hats, sun glasses, lighter coats and we recommend that your child be sunscreened before they arrive at the centre. For those that stay all day we will re apply when we go outside in the afternoon. It takes a lot of time out of our morning to apply sunscreen to all the children. In addition water bottles are needed and ice packs are a good idea for lunch kits depending on what food you are sending. Thanks
