

# April 2018 Newsletter

Welcome back everybody!!

Thank you for remembering to keep your Easter chocolates at home.

As we have seen already it appears that April will be wet, wet, wet. Please continue to make sure your children have boots and rain coats, and we will try to get out when we can.

Don't forget your child needs inside shoes, and a water bottle. Also feel free to send a sweater on those warmer days instead of, or with a jacket.

Hot Lunch this month is Boston Pizza. Orders have to be in by April 13, and lunch is served on April 20th.

Our 4 year old class had a Soccer Shots demo on Wednesday. If you want to participate please register online. The 10 week season starts Wednesday April 11, and continues for 10 Wednesdays. Class will run rain or shine, but if it is pouring buckets it may be postponed.

When the sunny weather finally does come we will ask that children come to class sunscreened. We do have sunscreen here and will reapply through the day.

Scholastic has started to offer an option to order and pay online. We will continue to provide a handful of paper versions, but feel free to order and pay online.

## Upcoming Important Dates

April 13– Class ends at 1:25

April 13– last day to order Hot Lunch

April 20– Hot Lunch Boston Pizza

April 20– Scholastic orders due.
