

April Newsletter

Welcome back to Spring! We are super excited to be back! As the weather gets better there's a few things we want to remind you of. We will start applying sunscreen when the UV rating is higher than 2. We do supply sunscreen (Coppertone, or LIFE brand), all you have to do is bring in \$2. If your child is sensitive you are welcome to provide your own lotion. Also remember to send a sweater still, the mornings are still pretty chilly, and don't forget a water bottle, as it gets hotter we will start bringing them outside with us. We would prefer if your child has runners for climbing outside, flip flops and crocs can be hard to climb, and tend to get full of wood chips.

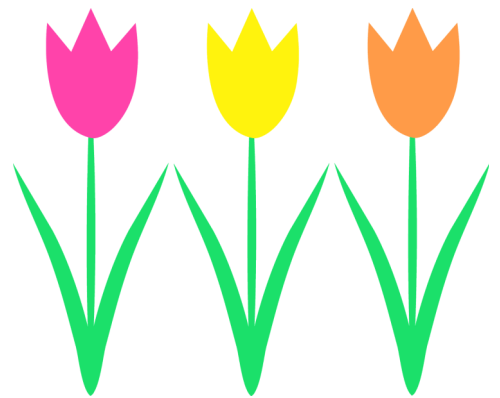

Important Upcoming Events

April 3– Soccer Shots Demo

April 12– early dismissal 1:30

April 19– Closed

April 22- Closed

Soccer Shots

Soccer shots comes to Strawberry Patch during class hours to run a soccer skills program. On Wednesday April 3 all of the children will be able to try a 15 minutes demo class. Your child will bring home some information and you can chose to sign up if you want to. It will run every Wednesday from 1:15-1:55pm from April 10– June 12.

Hot Lunch

Hot lunch is to be announced. Posters will be beside the sign in sheet when they have been announced.
